Sir:

This request is submitted in order to place the specification in compliance with the rules for patent applications containing amino acid and/or nucleotide sequence disclosures, 37 C.F.R. §§ 1.821-1.825.

The paper copy of the Sequence Listing information in this application is identical to the computer readable copy of the Sequence Listing information filed in application Serial No. 09/127,926, filed on July 31, 1998 and issued as U.S. Patent 6,269,312 B1 on July 31, 2001, of which this application is a continuation application. In accordance with 37 C.F.R. 1.821(e), please use the only computer readable form of the sequence information filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number and

Serial No. 09/827,960
